Plantex[®] 10-5-10 Media Starter

DIRECTIONS FOR USE:

Plantex Media Starter is recommended for incorporation into soilless media prior to planting. Rate to use will depend upon crop type, growing system, irrigation management, etc. This product does not include limestone. If media pH must be adjusted, other materials must be used.

Suggested rate is 2-4 lbs per cubic yard. Do not steam sterilize or heat treat the soilless mix, once added.

IMPORTANT NOTICE TO PURCHASER

Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price, or to replace the quantity purchased, of any defective product. In no event shall Seller or any manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this bag of fertilizer material expressly acknowledges and agrees to these terms.

4% Combined Sulfur (S)	
Boron (B)	
Copper (Cu)	0.05%
Iron (Fe)	
Manganese (Mn)	
Molybdenum (Mo)	0.004%
Zinc (Zn)	0.15%

DERIVED FROM: Potassium nitrate, ureaform, calcium nitrate, calcium phosphate, sulfate of potash magnesia, calcium sulfate, magnesium sulfate, iron sulfate, manganese sulfate, zinc sulfate, copper sulfate, boric acid, sodium molybdate, vermiculite and wetting agent.

This fertilizer contains boron, copper, manganese, molybdenum and zinc, and should be used only as recommended. It may prove harmful when misused. Crystalline silicate is present in the clay carrier. Exposure to high levels of crystalline silica over a period of time is known to cause silicosis. For further information see Material Safety Data Sheet.

This fertilizer is to be used only on soils which respond to molybdenum. Crops high in molybdenum are toxic to ruminants.

Information regarding the contents and levels of metals in this product is available on the internet at http://www.aapfco. org/metals.html

Premix for Growing Media DANGER

CAUTION

Hazard Statement(s): H315 Causes skin irritation

H318 Causes serious eye damage.

H350 May cause cancer H360 May damage fertility or the unborn child.

Precautionary Statement(s

P202 Do not handle until all safety precautions have been read and understood P264 Wash hands and skin thoroughly after handling.

P302 + P352 IF ON SKIN: Wash with plenty of water.
P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to

do. Continue rinsing. P308 + P313 IF exposed or concerned: Get medical advice/attention

P310 Immediately call a POISON CENTRE or doctor.
P321 Specific treatment (see supplemental first aid instruction on this label).

P332 + P313 If skin irritation occurs: Get medical advice/attention

P362 + P364Take off contaminated clothing and wash it before reuse

P405 Store locked up

P501 Dispose of contents and container in accordance with local, regional, national and international regulations

Net Weight 50 lbs. **MADE IN CANADA**

WARNING: This product can expose you to silica, quartz, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
