

12-8-26

DIRECTIONS FOR USE: Plantex MJ™ Grow fertilizer is recommended for use on all plants. For tender plants and outdoor applications in hot weather, use one half the recommended rate of application. Use warm water for fastest dissolving. Store in a cool, dry place.

CAUTION: This fertilizer contains copper, iron, manganese and zinc, and should be used only as recommended. It may prove harmful when misused.

The micronutrients within Plantex MJ™ are available at a greater pH range due to the presence of EDDHA and EDTA chelating agent.

INSTRUCCIONES DE USO: Plantex MJ™ Grow es recomendado para su uso en todas las plantas. Para plantas tiernas y aplicaciones al aire libre en climas cálidos, use la mitad de la tasa de aplicación recomendada. Utilice agua tibia para la disolución más rápida. Guardar en un lugar fresco y seco.

CUIDAD: Este fertilizante contiene cobre, hierro, manganeso y zinc, y debe usarse únicamente según se recomienda. Puede ser dañino si se utiliza mal.

Los micronutrients en Plantex MJ™ están disponibles en un mayor rango de pH debido a la presencia del agente quelante EDDHA y EDTA.

GUARANTEED ANALYSIS / ANALISIS GARANTIZADO:

Total Nitrogen / Nitrógeno Total (N).....	12%
8.2% Ammoniacal Nitrogen / Nitrógeno Amoniacal	
8.2% Nitrate Nitrogen / Nitrógeno Nitrate	
Available Phosphate / Fosfato Disponible (P ₂ O ₅).....	8%
Soluble Potash / Potasa Soluble (K ₂ O)	26%
Magnesium / Magnesio (Mg).....	2.5%
2.5% water soluble magnesium / magnesio soluble en agua (Mg)	
Boron / Boro (B)	0.02%
Copper / Cobre (Cu)	0.05%
0.05% chelated copper / cobre quelado	
Iron / Hierro (Fe)	0.25%
0.25% chelated iron / hierro quelado	
Manganese / Manganeso (Mn)	0.05%
0.05% chelated manganese / manganeso quelado	
Molybdenum / Molibdeno (Mo).....	0.0005%
Zinc / Zinc (Zn).....	0.05%
0.05% chelated zinc / zinc quelado	

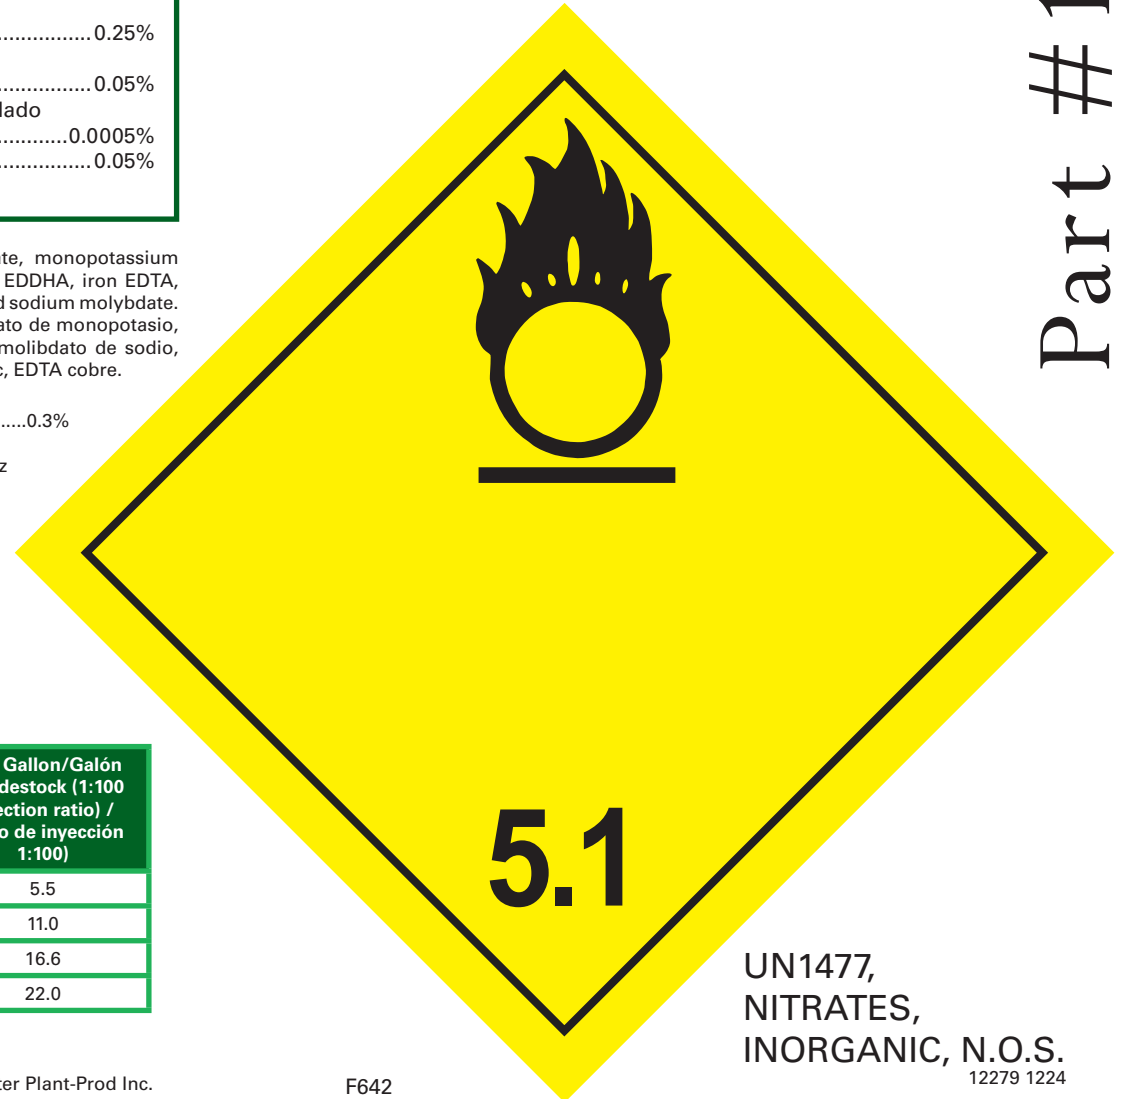

DERIVED FROM: Potassium nitrate, ammonium nitrate, monopotassium phosphate, potassium sulfate, magnesium sulfate, iron EDDHA, iron EDTA, manganese EDTA, zinc EDTA, copper EDTA, boric acid, and sodium molybdate.
DERIVARSE DE: Nitrato de potasio, nitro de amonio, fosfato de monopotasio, sulfato de potasio, sulfato de magnesio, ácido bórico, molibdato de sodio, EDDHA hierro, EDTA hierro, EDTA manganeso, EDTA zinc, EDTA cobre.

Chlorine (Cl) (maximum) / Cloro (Cl) (max).....0.3%

Potential acidity (lbs CaCO₃ per ton of fertilizer) / La acidez potencial (libras CaCO₃ por tonelada de fertilizante).....115 lbs.

Water Soluble Fertilizer

DANGER

Hazard Statement(s):
 H272 May intensify fire; oxidizer.
 H318 Causes serious eye damage.
 H351 Suspected of causing cancer.
 H360 May damage fertility or the unborn child.
 H373 May cause damage to organs through prolonged or repeated exposure.

Precautionary Statement(s):
 Prevention:
 P201 Obtain special instructions before use.
 P202 Do not handle until all safety precautions have been read and understood.
 P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
 P220 Keep/Store away from clothing/combustible materials.
 P221 Take any precaution to avoid mixing with combustibles/
 P260 Do not breathe dust/fume/gas/mist/vapours/spray.
 P280 Wear protective gloves/protective clothing/eye protection/face protection.

Response:
 P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
 P308 + P313 IF exposed or concerned: Get medical advice/attention.
 P310 Immediately call a POISON CENTRE/doctor/
 P314 Get medical advice/attention if you feel unwell.
 P370 + P378 In case of fire: Use water spray or fog to extinguish.

Storage:
 P405 Store locked up.

Disposal:
 P501 Dispose of contents and container in accordance with local, regional, national and international regulations.
