

Boost No Dye Added

DIRECTIONS FOR USE: Plant-Prod MJ™ Boost fertilizer is recommended for use on all plants. For tender plants and outdoor applications in hot weather, use one half the recommended rate of application. Use warm water for fastest dissolving. Store in a cool, dry place.

For information on our complete Plant-Prod MJ™ product line and production program, please visit:

<https://www.plantprod.com/water-soluble-fertilizers/plant-prod-MJ/>

CAUTION: This fertilizer contains copper, iron, manganese and zinc, and should be used only as recommended. It may prove harmful when misused.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

The micronutrients within Plant-Prod MJ™ are available at a greater pH range due to the presence of EDTA chelating agent.

ppm Nitrogen / Nitrógeno	Plant-Prod MJ™ Boost 15-30-15 (oz / Gallon)	E.C. (mmhos)	oz / Gallon/Galón of / de stock (1:100 injection ratio) / (ratio de inyección 1:100)
50	0.04	0.35	4.4
100	0.09	0.69	9.0
150	0.13	1.12	13.3
200	0.18	1.29	18.0

CUIDADO: Este fertilizante contiene cobre, hierro, manganeso y zinc, y debe usarse únicamente según se recomienda. Puede ser dañino si se utiliza mal.

Información sobre los contenidos y niveles de metales en este el producto está disponible en internet en <http://www.aapfco.org/metals.htm>

Los micronutrients en Plant-Prod MJ™ están disponibles en un mayor rango de pH debido a la presencia del agente quelante EDTA.

Water Soluble Fertilizer

DANGER

Hazard Statement(s):
H351 Suspected of causing cancer.
H360 May damage fertility or the unborn child.

Precautionary Statement(s):

Prevention:
P201 Obtain special instructions before use.
P202 Do not handle until all safety precautions have been read and understood.
P280 Wear protective gloves/protective clothing/eye protection/face protection.

Response:

P308 + P313 IF exposed or concerned: Get medical advice/attention.

Storage:

P405 Store locked up.

Disposal:

P501 Dispose of contents and container in accordance with local, regional, national and international regulations.
